

MOQ BASKETBALL PAROCHIAL ATHLETIC LEAGUE REGISTRATION GRADES 4-8

Dear Parents:

Registration for PAL Basketball is now open. Basketball is open to any children in Grades 4-8, that are enrolled in the MOQ Religious Ed program or 5 Day School.

Registration is available via WeShare on the parish website at www.maryourqueenchurch.com

Please pay special attention to the CONSENT section, which will require the acknowledgment of a parent or guardian, and the question on whether the MOQ team will be your child's PRIMARY or SECONDARY team.

Tryouts/Team Selection:

- Tryouts will be held on October 26th and 27th . There will only be one tryout session per grade / gender. Once the number of registrants has been determined, times for the tryouts will be determined and communicated via email, Sycamore and on www.moqsports.com.
 - Tryout times will be determined by October 21st, and will be communicated out on the Athletic Committee website as well as via email.
 - All registered players are placed on a team. There are no cuts.
- Independent Varsity level high school coaches will conduct the tryouts and grade each player's ability. The players will be assigned to teams based on these grades. (Note: To comply with PAL guidelines, 4th grade teams are split evenly by ability using the tryout grade.)
- **If a player is absent from the tryouts or doesn't designate MOQ as the PRIMARY team, the basketball committee reserves the right to place that player on the team that it believes is appropriate regardless of tryout scores.**

Costs/Registering:

- The registration fee for the year is \$75 and is non-refundable once teams have been posted.
- A lost or damaged uniform will result in a \$100 replacement cost.

Additional Notes:

- Uniforms are for game use only. Violating this rule may result in a loss of playing time.
- Coaches will set practice times within the guidelines of the program. Excessive absences from practices will impact a player's playing time and participation with the team.
- Other relevant policies can be found in the "Approved Policies Regarding Parish Sports Programs" document, which can be found on the MOQ Athletics website (www.moqsports.com).
- **ALL Coaches and Assistant Coaches must be Safe Environment Certified. No Exceptions.**
